# Overview

## Clinic In A Can

Clinic In A Can is a mobile clinic that is prepared from refurbished and retrofitted shipping containers.

We are a proud certified supplier of the product which is manufactured by a company called Clinic in a Can, which is owed by an NGO in America called Hospitals of Hope.

These containers clinics are converted and deployed, ready to use anywhere in the world,

they provide an important resource for medical services, disaster reliefs and for areas with poor infrastructure.

Clinic in a Can is an innovative approach towards improving health care in Africa.

Clinic in a Can is custom designed to meet a wide variety of medical

services/care needs such as:

- Disaster reliefs
- Remote communities
- Military use
- Mines and construction sites
- Inner City Clinics
- Refugees and displace
- Government Projects
